FACTSHEET April 2014

Share our experiences, become an islander...

Site

Where the north islands shape the horizon…

Where the coves shape the coast…

positioning

Zilwa Attitude situated on the north coast of Mauritius, in Kalodyne, is different and unique with its 100% Mauritian concept.

In Creole, "zilwa" means an "islander".
Entirely thought and designed with the aim of sharing the simple and genuine life of the islanders with its guests, this 4* hotel is a "hymn" to Mauritius. It is the ideal address for holidays full of emotions and pleasures, full of discoveries and encounters, the perfect place to relax, to unwind or just to slow down.

Zilwa Attitude offers a breathtaking view on the five islands of the northern coast. The contemporary rustic chic architecture and Mauritian design of the hotel take inspiration from the traditional homes, the old seaside bungalows.

The 214 rooms have been customized and designed to match the needs and expectations of each guest; in each category, the rooms have their own identity and personality.

True to the hotel concept, guests can discover in any of the 6 special theme restaurants a delicious cuisine, a blend of spicy and exquisite tastes, a culinary know-how acquired from the cultural diversity of the island…

Zilwa Attitude invites families, couples and newly-weds to live unique experiences inspired from local traditions: come and share our treasures, our smiles, our music, our art de vivre by the sea…

Share our experiences, become an islander, become a "zilwa"…
